Many
I really enjoyed
knowing you.
you have been a
great friend. have be as
fun and always be as
good as you are. Good luck.
Love always
Les & Regan

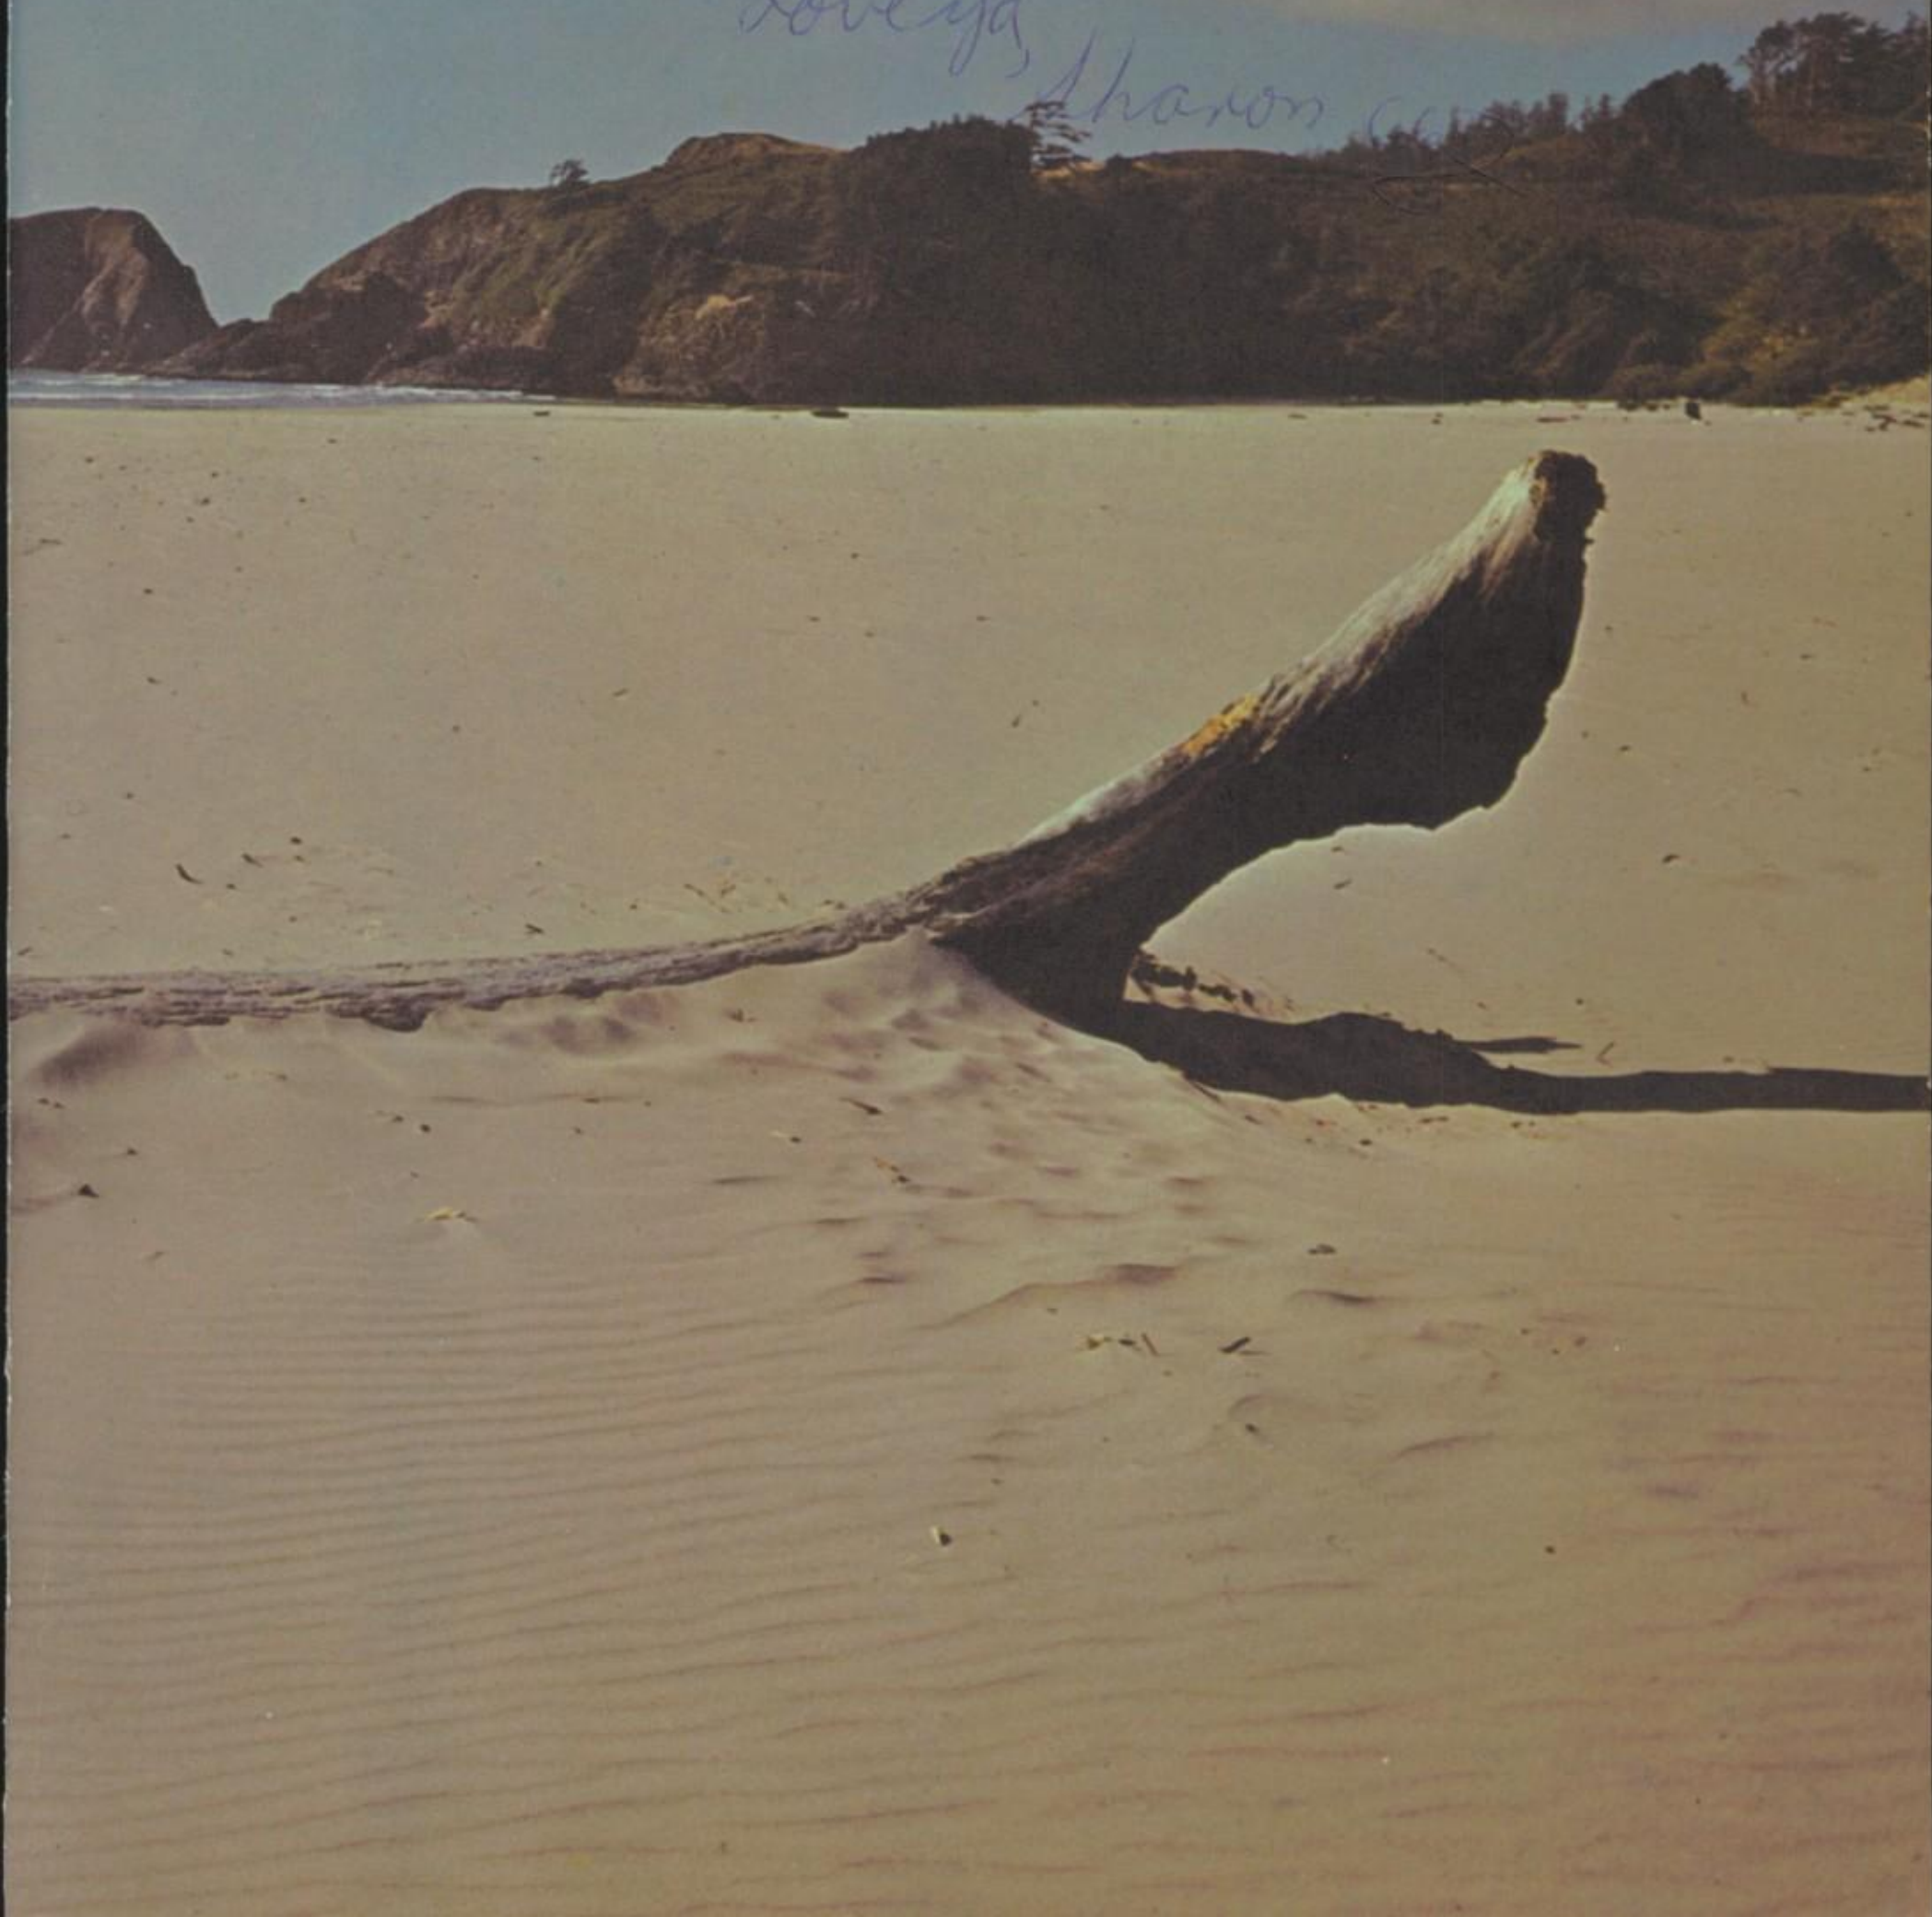

Mary,

It's been fun having
you in Biology. I didn't
get to talk to you much this
year but maybe we can get
better acquainted next year.

Love ya,

Sharon

maybe best

Mary,
you're a real
sweet girl and it
has been a lot of
fun in Biology
& P.E. (more so) Well
were sophomores now
and maybe we'll have
more classes together
and get to know each
other better. Maybe
we can see each other
this summer.
A friend always

MONTESANO HIGH SCHOOL

Come Let's Take a Dive

Into the Sylvan of '65

Foreword

A SAILOR'S SONG

Oh for the breath of the briny deep,
And the tug of the bellying sail,
With the sea-gull's cry across the sky
And a passing boatman's hail.
For, be she fierce or be she gay,
The sea is a famous friend alway.

Dedication

We, the 1965 Sylvan staff, will remember Marcia Wells as the one who has guided the fortunes of our yearbooks since she came to Montesano High School in 1961 to serve as our librarian. We will remember her intense loyalty to our school, she is always ready to help each student to find needed facts and information in the library, no matter how much trouble it is for her. She not only is ready and willing to help us in our work but also enthusiastically attends all of our football and basketball games — she yells at them, too.

Therefore, for your tireless work to make us develop into self-reliant, responsible persons, for your good advice to us, for your fine sense of humor, for your patience with our short comings, and most of all for your interest in Montesano High School, we dedicate the 1965 annual to you, Marcia Wells.

CLASSES

Restless sea! Restless humanity! A wave of the future came on the incoming tide and rested awhile on the shore of our high school. It brought with it many hidden treasures which have been gathered by the seniors, shaped, and polished and made their own as knowledge, attitudes, and habits. High be the tide!

Science Club

Science Club gives students who are interested in exploring the field of science an opportunity to do so. Meeting only one night a month, it is necessary for us to work on our Science Club projects either at home or in our study halls. Projects have included: bacteriology, photography, the effects of radiation upon animals, the study of electronics, and the growing of crystals. At some of the meetings talks are given by the members on their specific hobbies. Sometimes experiments not covered in chemistry are performed and films are shown which would be of interest to all.

All members would like to thank Mr. Reiter for making the club the success that it was this year.

FIRST ROW: John Hollingworth, Mike Marines, Carol Lindel, Fred Southard, Bill Pierce, Mr. Reiter, Advisor.

SECOND ROW: Doug Southard, John Shefler, Lloyd Craig, Dave Keys.

Math Club

Montesano's Math Club, significantly named the Aliph Naughts, is a charter member of the National Math Club Mu Alpha Theta. The officers leading this club are President, Laurie Moore; Vice-President, Pam Walker; and Secretary-treasurer, Nikki Lukin. The advisor was the head of Monte's Math Department, Mr. Palmer. Charter members of this club must be enrolled in their third semester of algebra, (advanced algebra), and must maintain at least a "B" average.

This club meets at least once a month. They discuss new concepts in mathematics, and such things as natural logarithms, the truth tables, calculus, mathematical induction, and imaginary numbers.

Monthly, they receive copies of a paper from the national club called the Mathematical Log. This paper presents many new ideas and challenging concepts and adds a lot to the discussions.

The 'Aliph Naughts' would like to express their gratefulness to Mr. Palmer, who has done so much to make this club a success.

This year there were about thirty members in Chorus. The class met fifth period instead of the usual sixth. We spent a great deal of time at the beginning studying breath control and vowel formations. Our first appearance was before the student body. That same day we also performed for members of the P.T.A. In addition to our parts in the annual Winter and Spring Concerts, we also traveled to Elma for the West Central League Music Festival on March 13 and to Longview for a choral contest on March 27.

It has been a most enjoyable and profitable year for the Chorus.

SPORTS

A storm at sea is a wildly beautiful thing. The sea is fighting hard and winning against its foe, the wind. The wind crashes waves on the rocks, but the sea always has another wave to take its place. Our Bulldogs teams for 1965 were like that. They never gave up. When they were crashed on the rocks, they came back fighting harder than ever.

FINALE

The tide has gone out. It moves away from the shore. A phase of the ocean is closing as it does each day. In June of 1965 a phase of our life is drawing to a close. The members of the 1965 class move on out away from school as inevitably as the receding tide to the new phase of their lives.

Class History

High school at last! We may have been lowly freshmen but at last we had arrived, ninety strong. We were represented by Bob James, Terry Smith, Laurie Moore and Judy Hovila. Mrs. Hughes was our class advisor.

Nikki Lukin was elected Girls Club treasurer, Judy Hovila was Homecoming Princess and freshman representative to the Girls Club cabinet. We sponsored two after game dances and were proud to have seventeen members of our class on the honor roll.

Our class numbered ninety-three as we moved into our sophomore year at M.H.S. We were led by Bill Kjesbu, president; Doug Southard, vice president; Laurie Moore, secretary; Cheryl Bryson, treasurer; and Judy Hovila, A.S.B. representative.

Bob James and Nikki Lukin served as secretary to the A.S.B. and the Girls Club respectively. Ann Dickinson was the sophomore representative to the Girls Club cabinet. Eighteen of us earned positions on the honor roll.

We sponsored two dances this year: an after game dance, the Football Blast, and the Sophomore hop, Granny's Pad.

John Crosby, Mary Ellen Brewer, Jennifer Smith and Diana Schumacher had prominent roles in the All School Play.

As upper classmen, eighty-nine members of our class returned in the fall of 1963. We chose Bob James, president; Terry Smith, vice president; Bruce Skaramuca, secretary-treasurer; Cheryl Bryson, A.S.B. representative.

We had three vice presidents in our class. Doug Southard was vice president of the student body, Nikki Lukin of GAA, and Laurie Moore of Girls Club. Ron Glessner was secretary-treasurer and Bill Kjesbu was student representative of the Lettermens Club.

Our class was well represented in sports and in the All School Play. Twenty-two of us earned positions on the honor roll.

The Junior Prom and the Senior Ball were combined this year with the theme of "Deep Purple." At the end of the year we all enjoyed decorating the gym for graduation.

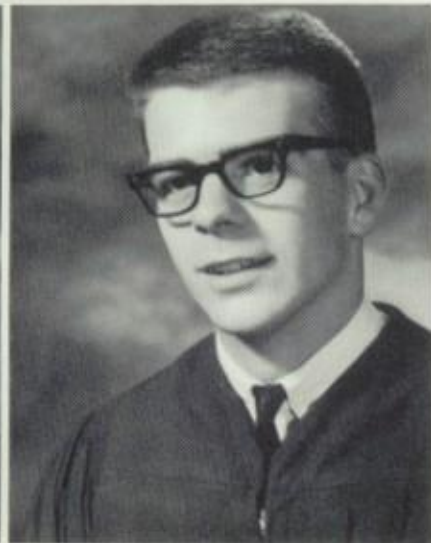

It doesn't seem possible but now we are graduating seniors. The time certainly flies! Our class officers this year were Bill Kjesbu, president; Bob Tennant, vice president; Laurie Moore, secretary-treasurer; and John Crosby, student representative. Our patient advisor was Mr. Young.

Mary Ellen Brewer led GAA this year with Pam Jackson as representative. Laurie Moore was president of the Girls Club and Mary Ellen Brewer was A.S.B. representative of the same group.

Although our year was highlighted by many activities, the biggest event came on June 8th when the class of 1965 graduated.

AT-SCHOOL CLOSE

The end has come, as come it must
To all things; in these sweet June days
The teacher and the scholar trust
Their parting feet to separate ways.

They part: but in the years to be
Shall pleasant memories cling to each,
As shells bear inland from the sea
The murmur of the rhythmic beach.

IN OUR 75th YEAR

It may surprise some to learn Simpson is 75 years old in 1965. But sure enough this is the year of our Diamond Anniversary. And rather than glory about the past, which has been good to us, and to many communities of Washington, Oregon and California, let us say it is a past of which we are proud. Of greater importance to all of us now is the future and what we hope to do with the next

75 years. One thing we can count on positively, and that is tree farming. We will be just as busy keeping our lands green with new tree crops in the future as we have been since 1880. And during the 75 years to come, we will go over the same acres for the second and third crops. The "green gold" of the West Coast will never run out as long as good land is kept stocked with trees, and

given protection from fire, disease and pests. We can't say how many new ways of using wood will be developed in the next 75 years, but we can safely estimate this progress in the wood usage will be much greater than anything seen in the past 75. It is the expectation of new products, new processes and new places to sell that makes us feel "75 years young" rather than "old" on this Diamond Anniversary.
Thank you.

in the great year of our lord, 1965,
I, the abovesigned, did bid you,
Mary Lee Vest, the best of
luck and success during her
high school career. Time exactly
3:35 P.M.
David
Keys

Mary,

Its been fun in

Home Co. even tho we

did talk a lot instead

of sewing. I dont know if

I learned anything, but

it was fun anyway.

Stay as sweet as you are

and I wish you happiness

and success in the near

future.

Love ya,

Debbie Rasmussen

Mary,
we will have to
do something together
this summer. we cant
stay home all summer and do
nothing fun. we will have fun
this summer I hope. I guess I
always have to add the good luck
bit so "Good luck next year and so on."
Diane

Mary,
Have alot of fun
this summer, and I see
you next year.

A friend Always
Bonnie

Howdy!

Mary,
At home, I'm
writing this up
down, say most
of the time I'm up
down anyhow. Hope
you have lots of
fun this summer
See ya then
Summer
Have P.S. I

Mary,

Even though I don't know ya too
well, we sure had fun anyway.
I hope ya have a lot of fun this
summer and in all of your years
at M. H. S. See ya next year.

Always,
Susan '68

Mary, luck in
your future years!
